

# BCR BOND Cleanroom Paper

Our BCR Bond is made with the purest quality cellulose from specially selected sustainable forests and is coated with a proprietary formula to minimize particle and fibre release. BCR Bond comes in a variety of weights and colours to suit your particular need, from heavy weight 104g paper for extra tear resistance and opacity to allow double sided printing, to lighter weight 68g paper for economy. BCR Bond cleanroom paper is recommended for use in ISO Class 3-7 cleanrooms.
