

BCR[®] Polyester Glove Liners

COMPOSITION AND ATTRIBUTES

- 100% continuous filament knitted polyester – comfortable protection against skin irritation caused by latex, urethane, PVC, and other chemical handling gloves
- No-run and non-ravel seamless construction
- Half fingered design covers palm and parts of fingers to permit tactile use while wicking moisture from palms
- Full fingered design covers entire hand
- Can be laundered
- Color coded cuffs denotes size

APPLICATIONS

- For use in laboratories and manufacturing environments
- Can be used as inspection gloves to prevent fingerprints on circuit boards, glassware, lenses, optics and other critical surfaces

VITAL STATISTICS

(not applicable)
